REVIEW OF INFRASTRUCTURE SECTOR PERFORMANCE

(April - September 2015)

SUMMARY

Performance during September 2015

During September 2015, the production of crude oil and cargo handled at major ports were **lower** than the respective targets **as well as** the performance during the corresponding month of the previous year. During the month, the power generation, up gradation of highways by NHAI, import cargo handled at airports and passengers handled at domestic terminal of the airports were **higher** than the respective targets **as well as** the performance during the corresponding month of the previous year. The production of coal, fertilizers, refinery, natural gas, up gradation of highways by state PWD & BRO, goods traffic carried by railways and passengers handled at international terminal of the airports were **lower** than the target for the month but **higher** than the performance during September 2014. During the month, the net addition of switching capacity in telephone exchanges and new (net) wireless phone connections were **more** than the performance during the corresponding month of the previous year, but production of fertilizers and cement were **lower**.

Performance during April – September 2015

2. During the period, the production of natural gas and up gradation of highways by state PWD & BRO have shown **shortfall** from the respective targets as well as the performance during the corresponding period of the previous year. The power generation, production of crude oil and refinery, upgradation of highways by NHAI, export and import cargo handled at airports and passengers handled at domestic terminals of the airport were **higher** than the respective targets as well as the performance during the corresponding period of the previous year. The production of coal, fertilizers, goods traffic carried by railways, cargo handled at major ports and passengers handled at International terminals of the airports were **lower** than the respective targets but **higher** than the performance during the corresponding period of the previous year. During the period, the finished steel production and net addition of switching capacity in telephone exchanges were **lower** than the performance during the corresponding period of the previous year, but cement production and net (new) wireless phone connections were **higher**.

3. The sector-wise details are given in Annexure-A.

Power

4. During September 2015, the total **power generation** at 101.22 Billion Units (BU) was **higher** than the target for the month as well as the power generation during the corresponding month of the previous year by 9.89% and 10.48% respectively. The overall power generation during the period April- September 2015, at 593.67 BU was **higher** than

the target for the period and the power generation during the corresponding period of the previous year by 4.91% and 4.68% respectively. During the period, thermal power generation at 452.78 BU was 2.94% **lower** than the target but 5.22% **higher** than thermal power generated during the corresponding period of the previous year. Nuclear generation at 19.08 BU was **higher** than the target for the period as well as nuclear power generated during the corresponding period of the previous year by 4.72% and 13.51% respectively. Hydro power generation at 79.96 BU was 2.73% **higher** than the target for the period but 1.16% **lower** than the hydro power generated during the corresponding period of the last year. During the period, power generation from renewable energy at 37.66 BU was 7.17% **higher** than power generation during the corresponding period of previous year. **The targets of renewable energy have not been reported by M/o New & Renewable Energy.**

Coal

5. During September 2015, the **coal production** at 44.95 Million Tonnes (MT) was 11.02% **lower** than the target but 1.87% **higher** than the coal production during the corresponding month of the previous year. During April - September 2015, the overall production of coal at 275.36 MT was 10.47% **lower** than the target but 4.11% **higher** than the production during the corresponding period of the last year. During the period, the production of Coal India Ltd (CIL) at 229.54 MT was 2.53% **lower** than the target but 8.92% **higher** than the production during the corresponding period last year. The production of Singareni Collieries Company Ltd. (SCCL) at 27.20 MT was **higher** than target as well as the production during the corresponding period of the previous year by 8.44% and 27.43% respectively. The production of other companies at 18.62 MT was **lower** than the target and the production during the corresponding period of the previous year by 60.38% and 42.52% respectively.

Finished Steel

6. The production of **finished steel** during September 2015 at 7.77 Million Tonnes (MT) was 3.35% **lower** than the production during the corresponding month of the previous year. The production during April- September 2015 at 49.68 MT was 0.70% **lower** than the production during the corresponding period of the last year. [However, the targets for secondary producers (Major producers) have not been reported by the reporting agency, the Joint Plant Committee (JPC), Kolkata.] During April- September 2015, the contribution of main producers (SAIL+ Tata Steel+ VSP+ JSWL+ ESSAR+ JSPL) in the total finished steel production was only 46.86%.

Cement

7. During September 2015, the **cement production** at 21.46 Million Tonnes (MT) was 1.54% **lower** than the production of 21.80 MT for the corresponding month of the previous year. During April- September 2015, the cement production at 137.25 MT was 0.54% **higher** than the production during the corresponding period of the previous year. [It is pertinent to mention that the Department of Industrial Policy & Promotion (Cement Section) has reported only the total production figures; the annual & monthly targets have not been reported.]

Fertilizers

8. The **production of fertilizers** during September 2015 at 1.56 Million Tonnes (MT) was 1.36% **lower** than the target of 1.58 MT, but 14.39% **higher** than the production during the corresponding month of the previous year. During April - September 2015, the overall production of fertilizers at 8.57 MT was 6.08% **lower** than the target but 8.11% **higher** than the production during the corresponding period of the last year.

Petroleum & Natural Gas

9. (a) **Production of crude oil** during September 2015 at 3.04 Million Tonnes (MT) was **lower** than the target for the month as well as the production during the corresponding month of the previous year by 0.89% and 0.06% respectively. During April - September 2015, the overall crude oil production at 18.68 MT was 1.32% **higher** than the target for the period and 0.43% **higher** than the production during the corresponding period of the previous year.

(b) **Refinery production** during September 2015 at 18.04 Million Tonnes (MT) was 0.45% **lower** than the target for the month but 0.48% **higher** than the refinery production during the corresponding month of the previous. During April- September 2015, the overall refinery production at 112.60 MT was **higher** than the target for the period as well as the refinery production during the corresponding period of the previous year by 2.31% and 3.65% respectively.

(c) **Natural gas production** at 2,750 Million Cubic Meters (MCM) during September 2015 was 6.53% **lower** than the target for the month, but 0.88% **higher** than the production during the corresponding month of the last year. Gas production during April - September 2015 at 16,449 MCM was **lower** than the target for the period as well as the production during the corresponding period of the previous year by 5.56% and 2.14% respectively.

Roads

10. (a) During September 2015, National Highways Authority of India (**NHAI**) widened/ upgraded 150.00 km highways which was **higher** than the target for the month as well as the up gradation during the corresponding month of the previous year by 22.95% and 150.00% respectively. During September 2015, state PWD and Border Road Organization (**BRO**) widened 7.53 km to four/six/eight lanes, 16.02 km to two lanes and strengthened 53.87 km of existing weak pavement.

(b) During April- September 2015, **NHAI** widened/ upgraded 899.00 km of highways which was 7.41% **higher** than the target of 837.00 km and 51.09% **higher** than the achievement of 595.00 km during April – September 2014. During the period state PWD and Border Road Organization (**BRO**) widened 25.87 km to four/six/eight lanes and 171.59 km to two lanes. They have also strengthened 348.06 km of the existing weak pavement. State PWD and Border Road Organization (**BRO**) constructed/ rehabilitated 27 bridges against the target of 40 bridges for the period and 19 bridges were constructed/ rehabilitated during the corresponding period last year.

Railways

11. **Revenue earning goods traffic** carried by the railways during September 2015 at 88.75 Million Tonnes (MT) was 3.50% **lower** than the target for the month but 2.34% **higher** than the goods carried during the corresponding month of the previous year. During April - September 2015, the overall goods traffic carried by the railways at 540.99 MT was 7.12% **lower** than the target for the period but 1.61% **higher** than the goods carried during the corresponding period of the previous year.

Shipping & Ports

12. a) **Major ports** in the country handled 46.85 Million Tonnes (MT) cargo during September 2015, which was **lower** than the target for the month as well as the cargo handled during the corresponding month of the previous year by 8.87% and 2.38% respectively. During April- September 2015, the major ports handled 299.58 MT cargo, which was 2.88% **lower** than the target for the period, but 4.12% **higher** than the achievement during the corresponding period of the previous year.

b) **Coastal shipment of coal** at all major ports during September 2015 at 9.96 MT was 5.00% **higher** than the shipment of 9.49 MT during the corresponding month of the previous year. Coastal shipment of coal during April - September 2015 at 63.89 MT was 13.13% **higher** than the shipment recorded during the corresponding period of the previous year. The annual and monthly targets of coastal shipment of coal for the year 2015 - 16 have not been reported by the reporting agency, the Indian Port Association (IPA).

Civil Aviation

13. a) **Export cargo** handled during September 2015, at 80,018 tonnes was 0.38% **higher** than the target for the month but 2.05% **lower** than the cargo handled during the corresponding month of the previous year. During April - September 2015, all airports handled 4,93,220 tonnes of export cargo, which was **higher** than the target for the period as well as cargo handled during the corresponding period of the last year by 1.26% and 3.07% respectively.

b) **Import cargo** handled at the airports during September 2015 at 56,823 tonnes was **higher** than the target as well as the cargo handled during the corresponding month of the previous year by 10.07% and 8.11% respectively. During April - September 2015, 3,38,887 tonnes of import cargo was handled at the airports, which was **higher** than the target for the period as well the cargo handled during the corresponding period of the previous year by 3.30% and 10.58% respectively.

c) **International terminals** of the airports handled 41.87 lakh passengers during September 2015, which was 0.57% **lower** than the target for the month but 6.55% higher than the passengers handled during September 2014. During April- September 2015, the international terminals handled 262.49 lakh passengers, which was 0.41% **lower** than the target but 7.59% **higher** than the passengers handled during the corresponding period of the previous year.

d) **Domestic terminals** handled 131.04 lakh passengers during September 2015, which was **higher** than the target for the month as well as the passengers handled during the corresponding month of last year by 17.14% and 13.70% respectively. During April - September 2015, the domestic terminals handled 797.00 lakh passengers, which was 6.26% **higher** than the target of 750.08 lakh passengers for the period and it recorded a **growth** of 19.24% over the passengers handled during the corresponding period last year.

Telecommunication

14. (a) During September 2015, 6,13,631 lines of **switching capacity** were **added** in the telephone exchanges at the national level {Wireline & wireless (WLL+GSM)} and 3,03,231 lines were added during the corresponding month of the previous year. During April- September 2015, 25,80,645 lines of switching capacity were added at the national level and during the corresponding period of the previous year 25,97,354 lines were added.

(b) During September 2015, total 59,534 **fixed (wire line) telephones connections** were **disconnected** and during the corresponding month of the previous year 1,19,788 connections were **disconnected**. During April- September 2015, 6,40,498 telephone connections were **disconnected** and during corresponding period of the previous year 10,95,353 connections were **disconnected**.

(c) During the month, 81,77,731 **mobile phone connections** were **provided** which was 32.26% **higher** than the 61,83,093 connections provided during the corresponding month of last year. During April- September 2015, a total of 2,75,60,257 mobile phone connections were **provided** which was 5.89% **higher** than the 2,60,26,856 connections provided during the corresponding period of the previous year.

(d) During April- September 2015, total (fixed + mobile) 269.20 lakh **telephone connections** were **provided** by both public and private sectors and during corresponding period of the last year, 249.32 lakh telephone connections were **provided** by both the sectors.

15. This has the approval of Secretary, Ministry of Statistics and Programme Implementation.

**INFRASTRUCTURE SECTOR PERFORMANCE
HIGHLIGHTS**
Monthly Trend of Growth Achieved during the period April-September 2015 and
during Last Three Years (April - September)
